This Policy begins on the Effective Date shown in the Schedule at 12:01 A.M. standard time at Your place of residence. The Effective Date is the date from which policy years and premium due dates will be figured.

If Insured or Insured & Insured Spouse only coverage is issued and You desire uninterrupted coverage for a newborn or adopted child, You must notify the Company within 31 days of the child's birth or date of placement in the home. Upon notification, We will advise You of the additional premium due. Your Insured Dependent Child will be covered under this Policy from the date of birth or placement, upon receipt of the additional premium due.

If Insured Dependent Child coverage is in force, we require notification of the birth or adoption of a child; however, no additional premium payment is required.

Cancellation by the Insured. The Insured may cancel this Policy at any time by written notice delivered or mailed to Us effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, We will promptly return the unearned portion of any premium paid. The earned premium will be computed according to the short-rate table last filed with the state official having supervision of insurance in the state where the Insured resided when the Policy was issued. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation. We may not cancel this Policy. This provision nullifies any other provision, contained in this Policy or in any endorsement hereon or in any rider attached hereto, which provides for cancellation of this Policy by Us or by the Insured

This Policy terminates automatically on the earlier of: (1) the premium due date if premiums are not paid when due, subject to the Grace Period provision; (2) the date requested by the Insured in writing that coverage be terminated; or (3) the Insured's death.

Coverage for an Insured Spouse, if indicated in the Schedule, ends on the earliest of: (1) the date the Insured's coverage under this Policy ends (2) the premium due date, if premiums for the Insured Spouse are not paid when due, subject to the Grace Period provision; (3) the date the Insured makes a written request that coverage for the Insured Spouse be terminated; or (4) the date the Insured Spouse no longer meets the definition of an Insured Spouse.

If Insured only coverage is indicated in the Schedule, this Policy will terminate automatically on the date the Insured reaches age 80. If Insured Spouse coverage is indicated in the Schedule, the coverage for the older of the Insured or the Insured Spouse terminates automatically on the date the Insured or the Insured Spouse reaches age 80. However this Policy does not automatically terminate until the date the younger of the Insured or the Insured Spouse reaches age 80.

If this Policy is terminated due to the Insured Person reaching age 80 and premiums have been paid and accepted beyond the date the Insured Person reaches age 80 coverage will continue in force, subject to any right of cancellation, until the end of the period for which such premium has been accepted.

Continuation or Conversion of Family Policy Upon Death/Divorce. This Policy shall provide covered family members, the Insured's Spouse and Insured's Dependent Child(ren), the right to continue such coverage upon the death of the Insured and upon the divorce, the annulment or dissolution of marriage, or the legal separation of the Insured's Spouse.

In the case of the divorce, annulment, or dissolution of marriage, or legal separation of the Insured Spouse from the Insured, the Company shall satisfy the right to the continuation of coverage under this provision by issuing either a converted or separate policy with the person who exercises the conversion right designated as the Insured. In the case of the death of the Insured, the Company may satisfy the right to the continuation of the coverage under this provision by continuing the original Policy with the person who exercises the right of continuation designated as the Insured or by issuing either a converted or separate policy with the person who exercises the conversion right designated as the Insured. Where continuation of coverage or conversion is made

in the name of the Insured Spouse, such coverage may, at the option of the Insured Spouse, include covered dependent children for whom the Insured Spouse has responsibility for care and support.

Coverage continued through the issuance of a converted or separate policy shall consist of a form of coverage then being offered by the Company as a conversion policy in the jurisdiction where the person exercising the conversion right resides that most nearly approximates the coverage of the Policy from which conversion is exercised. Continued and converted coverages shall contain renewal provisions that are not less favorable to the Insured than those contained in the policy from which the conversion is made, except that the person who exercises the right of conversion is not entitled to have included a right to renew the coverage after the attainment of the age of eligibility for medicare or any other similar federal or state health insurance program.

The eligible covered family member exercising the continuation or conversion right must notify the Company and make payment of the applicable premium within 31 days following the date such coverage otherwise terminates as specified in the policy or contract from which continuation or conversion is being exercised.

Coverage shall be provided through continuation or conversion without additional evidence of insurability, and shall not impose any pre-existing condition limitations or other contractual time limitations other than those remaining unexpired under the policy or contract from which continuation or conversion is exercised.

Insured Dependent Child(ren)'s coverage under this Policy, if indicated in the Schedule, ends on the earliest of: (1) the anniversary date the Insured's coverage under the Policy ends; (2) the premium due date if premiums for the Insured Dependent Child(ren) are not paid when due, subject to the Grace Period provision; (3) the date the Insured makes a written request that coverage for the Insured Dependent Child(ren) be terminated; or (4) the date the Insured Dependent Child(ren) reaches the limiting age, as reflected in the definition of Insured Dependent Child(ren), except as otherwise stated in this Policy.

If coverage is terminated due to the Insured Dependent Child(ren) reaching the limiting age, and premiums have been paid beyond the date the Insured Dependent Child(ren) reaches the limiting age the coverage provided by the Policy will continue in force subject to the right of cancellation by the Insured until the end of the period for which the premium has been accepted.

Any unmarried Insured Dependent Child(ren) of the Insured covered under this Policy before reaching the limiting age, who are incapable of self-sustaining employment by reason of mental or physical incapacity, and who are primarily dependent on the Insured for support and maintenance, may continue to be eligible under this Policy beyond the limiting age for as long as this Policy is in force, but only if they remain continuously covered under this Policy. We may request the submission of satisfactory proof of the Insured Dependent Child(ren)'s incapacity and dependency to Us within 31 days after the Insured Dependent Child(ren) reaches the limiting age specified in this Policy. If the requested proof is not furnished to Us, coverage for the Insured Dependent Child(ren) will not be extended past the limiting age. If coverage is extended, We may request submission of satisfactory proof of the Insured Dependent Child(ren)'s continued incapacity and dependency on an annual basis after the initial two-year period following attainment of the specified age. If We are not furnished requested proof within 31 days of the request, coverage for the Insured Dependent Child(ren) will terminate at the end of that 31-day period.

Termination takes effect at 12:01 A.M. Standard Time at Your place of residence on the date of termination.

Termination will not affect a claim for a covered loss that occurred while coverage was in force under this Policy.

Effective Date of Change in Coverage

A change in coverage due to a change in the election of benefits will become effective on the later of the following dates: (1) the date the written request for change in coverage is received by Us; or (2) if the change requires a change in premium, the date the first changed premium is paid when due.

PREMIUM

The initial premium for this Policy must be paid to Us at our Administrative Office in advance. Subsequent premium payments are due when and as stated in the Application. If premiums are not paid when they are due or within the Grace Period, the coverage provided by this Policy will terminate as set forth in the Effective and Termination Dates section.

Premium Term. The premium term is shown in the Application. You may change the premium term on any premium due date if We agree.

We reserve the right to change the premiums. Any change in premium will be uniform for all Insured Persons in the same rate class, on all policies bearing this form number in the state where this Policy is issued. We may also change premiums at any time a change affecting rates is made in this Policy. Written notice of any premium change will be mailed to You at Your last known address at least 30 days in advance of the effective date of the rate change.

Grace Period. A Grace Period of 31 days will be provided for the payment of any premium due after the first premium. This Policy will terminate on the last day of the Grace Period if You fail to pay all premiums due by the last day of the Grace Period.

No Grace Period will be provided if We receive notice from You to terminate this Policy prior to a premium due date.

Reinstatement. If this Policy terminates because premiums have not been paid, You can request to reinstate this Policy by sending a written request to Us to do so within 30 days after the last day of the Grace Period. This Policy may only be reinstated if We approve Your request and all required premiums are received at Our Administrative Office. The reinstated policy shall cover only loss resulting from such Injury as may be sustained after the date of reinstatement.

We have the right to make changes in this Policy before We reinstate it. Any changes will be made in or attached to the reinstated policy We send to You. All other terms of this Policy remain unchanged.

BENEFITS

The Maximum Amounts shown in the Benefit Schedule, subject to the Reduction Schedule, are used to determine amounts payable under each Benefit.

Reduction Schedule. The Maximum Amount payable for a covered loss will be determined by the age of the Insured Person on the date of the incident causing a covered loss. The Benefit Schedule shows the Maximum Amount based on age.

Premium for an Insured Person age 75 or older is based on 100% of the coverage that would be in effect if the Insured Person were under age 75.

Accidental Death Benefit

If an Insured Person's Injury results in death within the Incurral Period shown in Benefit Schedule, the Company will pay 100% of the Accidental Death Maximum Amount shown in the Benefit Schedule.

In no event will any Reduction Schedule provision operate to reduce the amount payable to less than \$1,000 for loss of life.

Exposure and Disappearance

If by reason of an accident occurring while an Insured Person's coverage is in force under this Policy, the Insured Person is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of the Insured Person has not been found within 1 year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured Person has suffered accidental death within the meaning of this Policy.

Accidental Dismemberment and Paralysis and Coma Benefit

If Injury to an Insured Person results, within the Incurral Period shown in Benefit Schedule, in any one of the Losses specified below, the Company will pay the percentage shown below of the Accidental Dismemberment Benefit Maximum Amount shown in the Benefit Schedule for that Loss:

<u>For Loss of</u>	<u>Percentage of Maximum Amount</u>
Both Hands or Both Feet	100%
Sight of Both Eyes	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye	100%
One Foot and the Sight of One Eye	100%
Speech and Hearing in Both Ears	100%
One Hand or One Foot	50%
The Sight of One Eye.....	50%
Speech or Hearing in Both Ears	50%
Hearing in One Ear	25%
Thumb and Index Finger of Same Hand.....	25%
For Loss Due to Coma.....	1% Per Month
Quadriplegia.....	100%
Paraplegia	50%

In no event will any Reduction Schedule provision or percentage of the Maximum Amount operate to reduce the percentage payable to less than \$1,000 for Double Dismemberment or \$500 for single dismemberment.

Double Dismemberment means the Loss of: (1) Both Hands; (2) Both Feet; or (3) One Hand and One Foot.

“Loss” of a hand or foot means complete severance through or above the wrist or ankle joint. “Loss” of sight of an eye means total and irrecoverable loss of the entire sight in that eye. “Loss” of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. “Loss” of speech means total and irrecoverable loss of the entire ability to speak. “Loss” of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits. “Quadriplegia” means the complete and irreversible Paralysis of both upper and both lower limbs. “Paraplegia” means the complete and irreversible Paralysis of both lower limbs.

“Paralysis” means permanent physical impairment due to a Spinal Cord Injury, which is classified according to the American Spinal Injury Association International Standards for Neurological Classification of Spinal Cord Injury as grade A or B on the ASIA Impairment Scale in effect on the date of the Spinal Cord Injury, or as amended or replaced by a comparable source. The grading must be done by a Physician who is board-certified in Physical Rehabilitation Medicine.

“Spinal Cord Injury” means acute trauma to the spinal cord caused by an external accidental Injury to the body.

“Loss Due to Coma” means a Coma that continues for a period of at least 30 consecutive days.

No benefit is provided for the first 30 days of the Coma. The benefit is payable monthly as long as the Insured Person remains Comatose due to that Injury, but ceases on the earliest of the date: (1) the Insured Person ceases to be Comatose due to that Injury; (2) the Insured Person dies; or (3) the total amount of monthly Coma benefits paid equals the Maximum Amount. The Company will pay benefits calculated at a rate of 1/30th of the monthly benefit for each day for which the Company is liable when the Insured Person is Comatose for less than a full month. Only one benefit is provided for any one month of Coma, regardless of the number of Injuries causing the Coma.

The Company reserves the right, at the end of the first 30 consecutive days of Coma and as often as it may reasonably require thereafter, to determine, on the basis of all facts and circumstances, that the Insured Person is Comatose, including but not limited to, requiring an independent medical examination provided at the expense of the Company.

“Coma/Comatose” means a profound state of unconsciousness from which the Insured Person cannot be aroused to consciousness, even by powerful stimulation, as determined by a Physician.

If more than one Loss is sustained by an Insured Person as a result of the same accident, only one amount, the largest, will be paid.

EXCLUSIONS

No coverage shall be provided under this Policy and no payment shall be made for any loss resulting in whole or in part from, or contributed to by, or as a natural and probable consequence of any of the following excluded risks even if the proximate or precipitating cause of the loss is an accidental bodily Injury:

(Loss caused while on short-term National Guard or reserve duty for regularly scheduled training purposes is not excluded.);
7. Travel or flight in or on (including getting in or out of, or on or off of) any vehicle used for aerial navigation, if the Insured Person is:

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after the occurrence or commencement of any loss covered by this Policy or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant or beneficiary to the Company at AIG, P.O. Box 81969, Cleveland, OH 44181-1969, or to any authorized agent of the Company, with information sufficient to identify the Insured, shall be deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company, in case of claim for loss for which this Policy provides any periodic payment contingent upon continuing loss, within 90 days after the termination of the period for which the Company is liable and in case of claim for any other loss, within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of the Insured will be made to the beneficiary as described in the Beneficiary Designation and Change provision below.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to You unless assigned by You or by operation of law. Any accrued benefits unpaid at Your death will be paid to Your estate. If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No statement made by an applicant for a policy of accident insurance not included therein shall avoid this Policy or be used to deny any claim thereunder be used in any legal proceeding thereunder.

No change in this Policy will be valid until approved by an executive officer of the Company and unless such approval be indorsed hereon or attached hereto. No agent has authority to change this Policy or waive any of its provisions.

A copy of the Application is attached. In the absence of fraud, all statements made on the Application will be considered representations and not warranties. No written statement made by the Insured will be used in any contest unless a copy of the statement is furnished to the Insured or their personal representatives.

Time Limit on Certain Defenses. 1) After 2 years from the date of issue of this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for this Policy shall be used to void this policy or to deny a claim for loss incurred or disability (as defined in this Policy) commencing after the expiration of such 2 year period. (2) No claim for loss incurred or disability (as defined in this Policy) commencing after 2 years from the date of issue of this Policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Beneficiary Designation and Change. Your designated beneficiary(ies) is (are) the person(s) named by You as shown on the Company's records kept on the Policy. You may change the beneficiary at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiary(ies), by providing Us with a written request for change. When the written request is received by Us, whether You are then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to Us on account of any payment made by Us prior to receipt of the request.

If there is no designated beneficiary or no designated beneficiary is living after Your death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: Insured Person's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the benefits will be paid to the Insured Person's estate.

Insured Spouse and Insured Dependent Child(ren)'s Beneficiary Designation and Change. If coverage for an Insured Spouse and Insured Dependent Child(ren) are indicated in the Schedule, the Insured Spouse and Insured Dependent Child(ren)'s beneficiary is You unless You have named (a) different beneficiary(ies) for the Insured Spouse and Insured Dependent Child(ren)'s coverage as shown on the Company's records kept on this Policy.

If You are over the age of majority and legally competent, You may change the beneficiary designation for the Insured Spouse and Insured Dependent Child(ren)'s coverage at any time, unless an irrevocable beneficiary designation has been made, without their consent or the designated beneficiary(ies) consent, by providing the Company with a written request for change. When the request is received by Us, whether You or the Insured Spouse or Insured Dependent Child(ren) is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to Us on account of any payment made by Us prior to receipt of the request.

If no beneficiary is living on the date of an Insured Spouse or Insured Dependent Child(ren)'s death, the beneficiary is Your estate.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity shall be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No action shall be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which the Insured resides is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by You, an Insured Person, or the Company, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured Person if that insurance would otherwise have ended or been reduced as provided in this Policy.

Assignment. You may not assign any of Your rights, privileges or benefits under the Policy.

Misstatement of Age. If premiums for an Insured Person are based on age and the age has been misstated, but the Insured Person is otherwise eligible for coverage under this Policy, there will be an adjustment of premiums based on the true age. If the benefits are based on age and the age has been misstated, there will be an adjustment of said benefit based on the true age. The Company may require satisfactory proof of age before paying any claim.

Other Insurance in this Insurer. Insurance effective at any one time on an Insured Person under this Policy and another policy or policies providing the same type of benefits issued by the Company is limited to the one policy elected by the Insured Person, or the Insured Person's beneficiary or estate, as the case may be, and the Company will return all premiums paid for all other such policies.

BENEFITS. The benefits to be provided under the Policy are summarized below:

Accidental Death Benefit. We will pay the Maximum Amount shown in the Benefit Schedule above if an Insured Person's Injury results in death within the Incurral Period shown in the Benefit Schedule.

Exposure and Disappearance. We will cover a loss for which a benefit is otherwise payable, if an Insured Person is unavoidably exposed to the elements due to an accident. It will be deemed that the Insured Person has suffered accidental death if the body has not been found within 1 year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the Insured Person was an occupant.

In no event will any Reduction Schedule provision operate to reduce the percentage payable to less than \$1,000 for loss of life.

Accidental Dismemberment and Paralysis and Coma Benefit. We will pay the percentage shown below of the Maximum Amount shown in the Benefit Schedule above if an Insured Person's Injury results in any one of the Losses specified below, within the Incurral Period shown in the Benefit Schedule:

<u>For Loss of</u>	<u>Percentage of Maximum Amount</u>
Both Hands or Both Feet	100%

Sight of Both Eyes	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye	100%
One Foot and the Sight of One Eye	100%
Speech and Hearing in Both Ears	100%
One Hand or One Foot	50%
The Sight of One Eye.....	50%

Hearing in One Ear	25%
Thumb and Index Finger of Same Hand	25%
For Loss Due to Coma.....	1% Per Month
Quadriplegia.....	100%
Paraplegia.....	50%

In no event will any Reduction Schedule provision or percentage of the Maximum Amount operate to reduce the percentage payable to less than \$1,000 for Double Dismemberment or \$500 for single dismemberment.

Double Dismemberment means the Loss of: (1) Both Hands; (2) Both Feet; or (3) One Hand and One Foot.

“Loss” of a hand or foot means complete severance through or above the wrist or ankle joint. “Loss” of sight of an eye means total and irrecoverable loss of the entire sight in that eye. “Loss” of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. “Loss” of speech means total and irrecoverable loss of the entire ability to speak. “Loss” of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits. “Quadriplegia” means the complete and irreversible Paralysis of both upper and both lower limbs. “Paraplegia” means the complete and irreversible Paralysis of both lower limbs.

“Paralysis” means permanent physical impairment due to a Spinal Cord Injury, which is classified according to the American Spinal Injury Association International Standards for Neurological Classification of Spinal Cord Injury as grade A or B on the ASIA Impairment Scale in effect on the date of the Spinal Cord Injury, or as amended or replaced by a comparable source. The grading must be done by a Physician who is board-certified in Physical Rehabilitation Medicine.

“Spinal Cord Injury” means acute trauma to the spinal cord caused by an external accidental Injury to the body.

“Loss Due to Coma” means a Coma that continues for a period of at least 30 consecutive days.

No benefit is provided for the first 30 days of the Coma. The benefit is payable monthly as long as the Insured Person remains Comatose due to that Injury, but ceases on the earliest of the date: (1) the Insured Person ceases to be Comatose due to that Injury; (2) the Insured Person dies; or (3) the total amount of monthly Coma benefits paid equals the Maximum Amount. We will pay benefits calculated at a rate of 1/30th of the monthly benefit for each day for which the We are liable when the Insured Person is Comatose for less than a full month. Only one benefit is provided for any one month of Coma, regardless of the number of Injuries causing the Coma.

We reserve the right, at the end of the first 30 consecutive days of Coma and as often as it may reasonably require thereafter, to determine, on the basis of all facts and circumstances, that the Insured Person is Comatose, including but not limited to, requiring an independent medical examination provided at Our expense.

“Coma/Comatose” means a profound state of unconsciousness from which the Insured Person cannot

be aroused to consciousness, even by powerful stimulation, as determined by a Physician.

If more than one Loss is sustained by an Insured Person as a result of the same accident, only one amount, the largest, will be paid.

LIMITATIONS.

Other Insurance in this Insurer. Insurance effective at any one time on an Insured Person under the Policy and another policy or policies providing the same type of benefits issued by Us is limited to the one policy elected by the Insured Person, or the Insured Person's beneficiary or estate, as the case may be, and We will return all premiums paid for all other such policies.

EXCLUSIONS.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to the policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities, and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon the changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

HIPAA NOTICE OF PRIVACY PRACTICES

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.
PLEASE REVIEW IT CAREFULLY.**

This Notice is provided to you for informational purposes only.

You are not required to call or take any action in response to this Notice.

This Notice tells you about the ways in which AIG Companies¹ (referred to as “we,” “us,” “our”) may use and disclose your protected health information (PHI) and your rights concerning your PHI. PHI is information about you, including demographic information (like your name, address, or gender), whether oral or recorded in any form or medium, that can reasonably be used to identify you. This information may be collected from you or from members of the health care industry (like doctors or employee benefit plans) and relates to your past, present or future physical or mental health or condition, the provision of health care to you or the payment for that care.

We are required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to maintain the privacy of PHI, and to provide you with this Notice about your rights and our legal duties and privacy practices with respect to your PHI. We must follow the terms of this Notice while it is in effect. Some of the uses and disclosures described in this Notice may be limited in certain cases by applicable state laws that are more stringent than the federal standards.

You are receiving this notice because you have insurance under an AIG Companies insurance policy from one of the subsidiaries or affiliates of American International Group, Inc. (collectively, the “AIG Companies” or “we”) listed on this notice.

If the insurance policy you have does not provide payment for the cost of medical care, then this HIPAA Notice does not apply to you. In that case, you will have also received a separate Privacy Notice from us that describes our privacy practices and your rights under state and federal laws related to personal health, financial and other personal information we may have collected about you in the course of conducting business with you.

HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

We may use and disclose your PHI for different purposes. As may be appropriate for the particular insurance or plan, the examples below are provided to illustrate the types of uses and disclosures we may make without your authorization as permitted by law for claims payment, health care operations and treatment.

- **Claims Payment.** We use and disclose your PHI to health care providers (physicians), insurance carriers, the state or others for benefit verification and in order to pay for your covered health expenses. For example, we may share your PHI with a health care provider to assist with processing claims or to another health plan to coordinate and/or seek reimbursement for benefit payments. We will share the least amount of information so that payment can be made. Usually, this involves identifying you, your diagnosis and the treatment provided.
- **Health Care Operations.** We use and disclose your PHI in order to perform our health care activities including, but not limited to, quality assessment activities, underwriting, premium rating, premium collection, reinsurance, legal, compliance, actuarial, auditing, or other administrative activities, including data analysis and management or customer service. We may review your health information if it is time for us to reestablish your eligibility for coverage or to conduct reassessments for case review. HIPAA, however, prohibits any use or disclosure of PHI that is genetic information for underwriting purposes. Genetic information means information about (1) your or your family members’ genetic tests, (2) manifestation of a disease or disorder in your family members, or (3) your or your family members’ requests for, or receipt of, a genetic test, counseling or education, or participation in clinical research which includes such test, counseling or education.

¹ For purposes of this Notice, the AIG Companies include and the pronouns “we,” “us,” “our” and “plan” refer to American General Life Insurance Company,* The United States Life Insurance Company in the City of New York, and National Union Fire Insurance Company of Pittsburgh, Pa..

- **Treatment.** While we do not provide treatment, we may use and disclose your PHI to assist your health care providers (doctors, dentists, pharmacies, hospitals and others) in your diagnosis and treatment. For example, we may disclose your PHI to providers to provide information about alternative treatments.
- **Plan Sponsor.** We may disclose your PHI to the plan sponsor for purposes that are described in the document that governs the specific plan. However, prior to any such disclosure, the plan sponsor will be required to certify that it will use your PHI in accordance with regulations governing the privacy of your PHI.
- **Enrolled Dependents and Family Members.** We will mail explanation of benefits forms and other mailings containing PHI to the address we have on record for the person who is enrolled in the health plan.
- **Health Claim Vendors.** We may contract with individuals or vendors who are sometimes called “Business Associates” to perform various functions on our behalf or to provide certain types of services. In order to perform these functions on our behalf or to provide these services, Business Associates may receive, create, maintain, use and/or disclose your PHI, but only after they agree in writing with us to implement appropriate safeguards and maintain the privacy of your PHI. For example, we may disclose your PHI to a Business Associate to administer claims or to provide support services, such as underwriting services, actuarial services, legal services, care coordination services, utilization management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a written agreement with us.

You have the right to stop or limit these disclosures. - **Law Enforcement.** We may disclose PHI under limited circumstances to a law enforcement official in response to a warrant, court order or similar process; to identify or locate a suspect, fugitive, material witness or missing person; or to provide information about the victim of a crime. We may also disclose PHI to a correctional institution if you are to become an inmate of a correctional institution.
- **Fraud/Misrepresentation.** We may disclose your PHI to non-affiliated organizations or persons such as other insurance institutions, agents, insurance support organizations, or law enforcement and governmental authorities as necessary to prevent criminal activity, fraud, material misrepresentation, or material nondisclosure in connection with your coverage or application for coverage.
- **Coroners, Funeral Directors, Organ Donation.** We may release PHI about death to coroners, funeral directors, medical examiners or the register of deeds as necessary to allow them to carry out their duties. We may also disclose PHI for procurement, banking or transplantation of organs, eyes or tissue. In the case of organ donation, information must be shared to get a match.

- **Research.** Under certain circumstances, we may disclose PHI about you for research purposes that we have approved, provided certain measures have been taken to protect your privacy.

- **Government Audits.** We are required to disclose your PHI to the Secretary of the United States Department of Health and Human Services (HHS) when the Secretary is investigating or determining our compliance with the HIPAA privacy rule.
- **Schools.** We may disclose proof of immunization to a school where the school is legally required to obtain proof of an individual's immunizations before admitting the individual as a student, but only with the parent's consent (or, if the student is old enough, the student's consent).

USES OR DISCLOSURES REQUIRING AN AUTHORIZATION

- **Psychotherapy Notes.** We must obtain your authorization for any use or disclosure of psychotherapy notes, except in cases of (1) use by the originator of the psychotherapy notes for treatment, (2) use or disclosure by us to defend ourselves in a legal action or other proceeding brought by you, (3) use or disclosure when required for government audits (see *Government Audits*) or when required by law (see *As Required by Law*), (4) use or disclosure for health oversight activities regarding the originator of the psychotherapy notes (see *Health Oversight Activities*), (5) disclosure to coroners or medical examiners (see *Coroners, Funeral Directors, Organ Donation*), or (6) use or disclosure to avert a serious threat to health or safety (see *To Avert a Serious Threat to Health or Safety*).
- **Marketing.** We must obtain your authorization for any use or disclosure of your PHI to make a communication promoting a product or service, except for communications in the form of (1) any face-to-face communication we have with you or (2) a promotional gift of nominal value that we provide. If marketing involves our receipt of any payment from or on behalf of a third party whose product or service is being described, the authorization will state that such payment is involved.
- **Sale of PHI.** We must obtain your authorization before any sale of PHI, and such an authorization will state that the disclosure will result in our receipt of remuneration. It is not considered a sale of PHI, however, if the disclosure is required by law or is for purposes of (1) a sale, transfer, merger or consolidation of all or part of us with or into another HIPAA-covered entity, (2) our subcontractors (or others on their behalf) performing legitimate services and receiving payment from us only for the performance of such services, or (3) for any other purpose permitted by the HIPAA privacy rule where the only remuneration we (or our business associates) receive is a reasonable cost-based fee for preparing and transmitting the PHI or such other fee expressly permitted by law.

All other uses or disclosures of your PHI not described in this Notice will be made only with your written authorization. You may revoke an authorization at any time in writing, but such revocation will not apply to the extent that we have already taken action in reliance on your authorization. To the extent the authorization was obtained as a condition of obtaining insurance coverage, other law may provide the insurer with the right to contest a claim under the policy or the policy itself.

YOUR RIGHTS REGARDING YOUR PROTECTED HEALTH INFORMATION

You have certain rights regarding your PHI that we maintain about you.

- **Right To Access Your PHI.** You have the right to review or obtain copies of your PHI, with some limited exceptions. Your request to review and/or obtain a copy of your PHI records must be made in writing. We may charge a fee for the costs of producing, copying and mailing your requested information, but we will tell you the cost in advance. We may also deny such request. If you are denied access, you may ask that our denial be reviewed. You have a right to receive electronic copies of your PHI, but only to the extent it is electronically maintained.
- **Right to Amend Your PHI.** You have a right to amend your PHI with a written request specifying the reason you are seeking the amendment. We have the right to deny your request to amend your PHI records if (1) we did not create the record, unless you provide a reasonable basis for us to believe that the originator of the PHI is not available to act on the requested amendment, (2) you ask us to amend information that is not part of your record, (3) you ask us to amend information that is not available for inspection under HIPAA, or (4) you ask to amend a record that we determine to be accurate and complete. If we deny your request to amend, we will notify you in writing and include the reason for the denial. You then have the right to submit to us a written statement of disagreement with our decision which will be added to your records, and we have the right to rebut that statement. If we agree to amend the records as requested, we will inform you the amendment has been accepted. We will also make reasonable efforts to inform others, including specific parties named by you of the changes.
- **Right to an Accounting of Disclosures.** You have the right to receive an accounting of disclosures of your PHI made by us during the six years prior to your request. The accounting will not include disclosures of information: (1) made more than 6 years prior to your request; (2) for treatment, payment and health care operations; (3) to you or pursuant to your authorization; (4) to correctional institutions or law enforcement officials; and (5) other disclosures that federal law does not require us to provide an accounting. The first accounting that you request within a 12-month period will be free. For additional accountings within the same time period, we may charge for providing the accounting, but we will tell you the cost in advance. Your request must be made in writing and must state the period of time for which you are requesting an accounting.
- **Right To Request Restrictions on the Use and Disclosure of Your PHI.** You have the right to request that we restrict or limit how we use or disclose your PHI for treatment, payment or health care operations. We may not agree to your request, except where the disclosure is for the purpose of carrying out payment or health care operations and is not otherwise required by law and the PHI pertains solely to a health care item or service that you (or others, other than the insurer, on your behalf) paid for in full out-of-pocket. If we do agree, we will comply with your request unless the information is needed for an emergency. Your request for a restriction must be made in writing. In your request, you must clearly state (1) what information you want to limit; (2) whether you want to limit how we use or disclose your information, or both; and (3) to whom you want the restrictions to apply.
- **Right To Receive Confidential Communications.** You have the right to request that we use a certain method to communicate with you or that we send information to a certain location if the communication could endanger you. Your request to receive confidential communications must be made in writing. Your request must clearly state that all or part of the communication from us in the usual manner could endanger you. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests.
- **Right to a Paper Copy of This Notice.** You have a right at any time to request a paper copy of this Notice, even if you had previously agreed to receive an electronic copy. - **Breach Notification Requirements.** AIG Companies will comply with the requirements of the Health Information Technology for Economic and Clinical Health Act ("HITECH") and its implementing regulations, including the final HIPAA Rules, to provide notification to affected individuals, HHS, and the media (when required) if we or one of our business associates discovers a breach of unsecured PHI. Unsecured PHI means PHI that is not secured by a technology standard that renders PHI unusable, unreadable, or indecipherable to unauthorized individuals.
