Notification to Assistance Company

INTREPID 24/7 must approve in advance any surgery, invasive procedure, diagnostic testing or treatment (including, but not limited to, cardiac catheterization), prior to the *insured* undergoing such surgery, procedure, testing or treatment. It remains *your* responsibility to inform *your* attending *physician* to call INTREPID 24/7 for approval, except in extreme circumstances where such action would delay surgery required to resolve a life-threatening medical crisis.

In the event of a medical *emergency*, *you* must notify INTREPID 24/7 within 24 hours of admission to a *hospital* and before any surgery is performed.

If *you* fail to do so without reasonable cause, then the *insurer* will pay 80% of the claim payable to a maximum of \$25,000. *You* will be responsible for any expenses that are not payable by the *insurer*.

Limitation of Benefits

Once the *insured person* is deemed medically *stable* to return to their *country of origin* or by virtue of discharge from a medical facility, the *emergency* will be deemed to have ended, whereupon any further consultation, treatment, recurrence, or complication related to the *emergency* will no longer be eligible for coverage under this policy.

Inability to Obtain Medical Records

In the event that the *insurer* is unable to obtain medical records from *your country of origin* *your* medical history will be based on information developed from *your* attending *physician's* report, medical examination or other sources of pertinent information.

Medical Transfer or Repatriation

The *insurer* reserves the right, as reasonably required and at its expense, to transfer *you* to any *hospital* or to transport *you* to Canada or *your country of origin* during an *emergency* for *medical treatment* of *your sickness* or *injury*. If *you* refuse to be transferred or transported when declared medically fit to travel by INTREPID 24/7's Medical Team, any continuing costs incurred for such *sickness* or *injury* after *your* refusal will not be covered and the payment of such costs becomes *your* sole responsibility. Coverage for the *sickness* or *injury* ceases upon *your* refusal and no coverage will be provided for that *sickness* or *injury* for the remainder of the coverage period.

Limitation of Assistance Services

INTREPID 24/7 reserves the right to suspend, curtail or limit services in any area or country in the event that war, political instability or hostility renders the area inaccessible by INTREPID 24/7. INTREPID 24/7 will use its best efforts to provide services during any such occurrence.

Misrepresentation and Non-Disclosure

The entire coverage under this policy shall be voidable if the *insurer* determines, whether before or after loss, that the *insured person* has concealed, misrepresented, or failed to disclose any material fact or circumstance concerning this policy or his interest therein, or if the *insured person* refuses to disclose information or to permit the use of such information, pertaining to any of the *insured persons* under this policy. Consequently, and following a loss, no claim shall be payable by the *insurer* and the *insured person* shall be solely responsible for all expenses relating to his claim, including medical repatriation costs.

Premium Payment

The required premium is due and payable at the time of application and will be determined according to the rate schedule then in effect. Premium rates, policy terms and conditions are based on *your* age as of the effective date. If the premium paid is insufficient for the coverage selected, the *insurer* will charge and collect any underpayment. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason if credit card charges are invalid or if no proof of *your* payment exists.

Additionally, if "no fault" benefits or other collateral sources of payment of medical expenses are available to the *insured person*, regardless of fault, the *insurer* is granted the right to make demand for, and recover, those benefits. If the *insurer* institutes an action it may do so at its own expense, in the name of the *insured person*, and the *insured person* will attend at the place of loss to assist in the action, in addition to providing the *insurer* all information, cooperation and assistance as the *insurer* may reasonably require. If the *insured person* institutes a demand or action for a covered loss, the *insured person* shall immediately notify the *insurer* so that the *insurer* may safeguard its rights.
